

## Third Quarterly News Bulletin

### Updated Rules

On September 15, 2021 the Board formally adopted rule 440-X-3-.08 regarding the emergency issuance of a temporary license in the event of the loss of a certified contractor. In addition the Director made a recommendation to the Board Chairman to ask to proceed with new rules regarding Disciplinary Act (section 440-X-6 ) and Military and their Spouses (section 440-X-3-.17) Proposed rules can be reviewed at: [www.hacr.alabama.gov/news/](http://www.hacr.alabama.gov/news/)

Effective March 1, 2022 The Board will move to the 2018 International Codes, specifically the 2017 NFPA National Electrical Code 70, 2018 International Mechanical Code, , the 2018 International Fuel Gas Code and the 2018 International Residential Code except Section 11 pertaining to energy which will remain based on the Alabama Energy Code.

### Renewal Updates for 2022

Renewal season begins October 1, 2021 and ends on December 31, 2021. Any certification renewed after December 31, 2021 will automatically be subject to a \$250.00 late fee. No exceptions will be made.

Please be assured you have your continuing education hours prior to your 2022 renewal. The deadline for CE is November 1, 2021. Each of you should verify you have 4 hours of CE for 2022 prior to renewal by visiting your user profile at [www.hacr.alabama.gov/licensees/](http://www.hacr.alabama.gov/licensees/)

If you do not have the required four hours of CE for 2022 you can visit the Board's Training Schedule to see when Glenn Nuby will be teaching a class near you. Under the News section of the Board's website [www.hacr.alabama.gov](http://www.hacr.alabama.gov).
