May 5, 2022 Proposed Rule Changes

At the May 5, 2022 meeting, the Board will be repealing section 440-X-4 Continuing Education Requirements for Certified Contractors of the Board's rules and regulations and replacing with them. To view the new proposed section click below:

440-X-4 Education Program and Continuing Education for Certified Contractors

### Reciprocity Agreements

We have had many questions about reciprocity . Detailed below are the requirements for each state the Board shares reciprocity with.

First you must have taken and exam in one of the reciprocal states below to qualify :

You may apply by reciprocity if you hold a current and valid license in Mississippi for at least 1 year, Tennessee for at least 3 years, the South Carolina Residential Building Commission for at least 5 years, or with the West Virginia Contractor Licensing Board or Louisiana Contractors Board for Contractors. West Virginia and Louisiana have no waiting period requirement.

### Upcoming Education Opportunities

Glenn will be teaching a 2 hour class in Gadsden Alabama at Gadsden State Community College—Valley Campus June 28, 2022, from 10-12 pm. The seating is limited to 20.
