Certification Number: 22032

Complaint File Number CC-2024-044

SETTLEMENT AGREEMENT

Cedrick J Taylor (hereinafter referred to as "Respondent") hereby stipulates and agrees, subject to ratification by the State of Alabama Board of Heating, Air Conditioning and Refrigeration Contractors (hereinafter referred to as "the Board") hereby agrees to the following:

STIPULATED FACTS

Respondent installed and/or serviced a heating and air conditioning system at 1018 11th Street N Bessemer, AL 35020. A Board inspection of the site revealed the following violations:

1. The 60-amp fuses are oversized for the condenser amperage in violation of the 2018 International Residential Code M1401.1.
2. The coil is not sealed in multiple locations with a UL approved listed and labeled tape or mastic, in violation of the 2018 International Residential Code M1601.4.1.
3. The 2-ton goodman indoor coil is not a factory approved match for the 3.5-ton Carrier outdoor unit, in violation of the 2018 International Residential Code M1401.1.
4. The refrigerant tubing insulation is incomplete in two locations the outdoor unit and the indoor coil, in violation of the 2018 International Residential Code M1411.6.

5. There is not an overflow safety switch or auxiliary drain line installed in the primary drain pan, in violation of the 2018 International Residential Code M1411.3.1.
6. The primary condensate drain line is not installed per the manufacturer's specifications, in violation of the 2018 International Residential Code M1401.1.
7. The refrigerant access ports located outdoors is not fitted with locking tamper resistant caps or secured to prevent unauthorized access, in violation of the 2018 International Residential Code M1411.8.
8. The outdoor unit is not level, in violation of the 2018 International Residential Code M1401.1.
9. The outdoor unit is not supported by a solid foundation in violation of the 2018 International Residential Code M1401.1.
10. The outdoor unit does not maintain the required service clearance from the structure, in violation of the 2018 International Residential Code M1401.1.
11. The has made a formal request for a copy of the heat gain, heat loss, duct sizing, drawings, or other important information such as the Manufacturer's Engineering Data used in regards to the above referenced systems as set forth in the Board Rules and Regulations, Section 440-X-5-.03 and the 2018 International Residential Code M1401.3.

STIPULATED CONCLUSIONS OF LAW

1. Respondent admits that the above listed findings by the Board are in violation of the Board's Minimum Standards, and thus grounds for discipline by the Board under *Code of Alabama* § 34-31-18 *et seq.* and the jurisdiction of the Board.
2. Respondent acknowledges he is subject to the provisions of the *Code of Alabama*, § 34-31-18, *et seq.* and the jurisdiction of the Board.

STIPULATED DISPOSITION

1. Respondent shall not in the future violate the provisions of the *Code of Alabama* § 34-31 (1975), or the Rules promulgated thereunder.
2. Respondent has completed a mandatory class provided by the Board pertaining to the 2015 International Fuel Gas Code and Mechanical Code, and 2015 International Residential Code on April 8, 2025.
3. Respondent agrees to remit a maximum administrative fine of \$550.00 within thirty (30) days of completion of the class for the above-described conduct.
4. In consideration of Respondent's full and complete compliance with this Settlement Agreement and the terms hereof, the Board agrees to forego the pursuit of its civil remedies available under Alabama Law against the Respondent.
5. Respondent understands that this Settlement Agreement may be presented to an attorney of Respondent's choice for review and counsel prior to signing the same.
6. Respondent acknowledges and understands that this Settlement Agreement, once final, is public information, and may be published in the Board's next newsletter or posted on the Board's website.
7. Respondent knowingly and voluntarily enters into this settlement agreement and expressly waives all further procedural steps, and expressly waives all rights to seek judicial review or to otherwise challenge or contest the validity of the Settlement Agreement, the findings of fact, conclusions of law and imposition of discipline herein.
8. This Settlement Agreement shall become effective upon the execution by the parties previously mentioned and, upon ratification by the Board; it shall be made a part of the official minutes of the Board's next regularly scheduled meeting.

Signed this 8 day of April, 2025.

Hueytown, AL 35023

Certification Number: 20115

Complaint File Number CC-2024-081

SETTLEMENT AGREEMENT

Robert P. Brown (hereinafter referred to as "Respondent") hereby stipulates and agrees, subject to ratification by the State of Alabama Board of Heating, Air Conditioning and Refrigeration Contractors (hereinafter referred to as "the Board") hereby agrees to the following:

STIPULATED FACTS

Respondent installed and/or serviced a heating and air conditioning system at 7450 Springer Road McCalla, AL 35111. A Board inspection of the site revealed the following violations:

1. The type B gas vent does not maintain the required 1-inch clearance to combustibles in violation of the 2018 International Residential Code M1401.1 and G2408.1.
2. The 16 x 25 return air filter back grill is undersized for a 3.5 Ton unit, in violation of the 2018 International Residential Code M1601.1.
3. The line set grommet is not installed (at point line set enters coil), in violation of the 2018 International Residential Code M1401.1. (pg. 5 Coil Install Manual)

4. The refrigerant access ports located outdoors is not fitted with locking tamper resistant caps or secured to prevent unauthorized access, in violation of the 2018 International Residential Code M1411.8.
5. The refrigerant tubing is not insulated with an r-4 value insulation, in violation of the 2018 International Residential Code M1411.6.
6. There is not an overflow safety switch or auxiliary drain line installed in the primary drain pan, in violation of the 2018 International Residential Code M1411.3.1.
7. The primary condensate drain does not meet manufacturers requirements in violation of the 2018 International Residential Code M1401.1.(pg. 5 Coil Install Manual)
8. The furnace does not have the required clearance for servicing, in violation of the 2018 international Residential Code M1305.1.
9. The 16" flexible return air duct is undersized for a 3½Ton unit, in violation of the 2018 International Residential Code M1601.1.
10. The flexible return air duct is improperly radiused, in violation of the 2018 International Residential Code M1601.1.1 Section 2.
11. The supply air collars are not sealed to the duct board supply air trunk with a UL approved listed and labeled tape or mastic, in violation of the 2018 International Residential Code M1601.4.1.
12. Multiple flexible supply air ducts are improperly radiused and contain excess length, in violation of the 2018 International Residential Code M1601.1.1 Section 2.
13. There is at least one flexible supply air duct that is being crimped by electrical wiring and plumbing piping, in violation of the 2018 International Residential Code M1601.1.1 Section 2.

14. At least one of the supply air boots is not sealed to the floor, in violation of the 2018 International Residential Code Table N1102.4.1.1.
15. The board is making a request for a copy of the duct air tightness test as required by the 2015 International Residential Code N1103.3.3.
16. The board is making a formal request for a copy of the heat gain, heat loss, duct sizing, drawings or other important information such as the Manufacturer's Engineering Data used in regard to the above referenced system as set forth in the Board Rules and Regulations, Section 440-X-5-.03 and the 2015 International Residential Code M1401.3.

STIPULATED CONCLUSIONS OF LAW

1. Respondent admits that the above listed findings by the Board are in violation of the Board's Minimum Standards, and thus grounds for discipline by the Board under *Code of Alabama* § 34-31-18 *et seq.* and the jurisdiction of the Board.
2. Respondent acknowledges he is subject to the provisions of the *Code of Alabama*, § 34-31-18, *et seq.* and the jurisdiction of the Board.

STIPULATED DISPOSITION

1. Respondent shall not in the future violate the provisions of the *Code of Alabama* § 34-31 (1975), or the Rules promulgated thereunder.
2. Respondent agrees to remit a maximum administrative fine of \$4100.00 within thirty (30) days of completion of the class for the above-described conduct.
3. In consideration of Respondent's full and complete compliance with this Settlement Agreement and the terms hereof, the Board agrees to forego the pursuit of its civil remedies available under Alabama Law against the Respondent.
4. Respondent understands that this Settlement Agreement may be presented to an attorney of Respondent's choice for review and counsel prior to signing the same.

5. Respondent acknowledges and understands that this Settlement Agreement, once final, is public information, and may be published in the Board's next newsletter or posted on the Board's website.

6. Respondent knowingly and voluntarily enters into this settlement agreement and expressly waives all further procedural steps, and expressly waives all rights to seek judicial review or to otherwise challenge or contest the validity of the Settlement Agreement, the findings of fact, conclusions of law and imposition of discipline herein.

7. This Settlement Agreement shall become effective upon the execution by the parties previously mentioned and, upon ratification by the Board; it shall be made a part of the official minutes of the Board's next regularly scheduled meeting.

SETTLEMENT AGREEMENT

Richard G. Estes (hereinafter referred to as "Respondent") hereby stipulates and agrees, subject to ratification by the State of Alabama Board of Heating, Air Conditioning and Refrigeration Contractors (hereinafter referred to as "the Board") hereby agrees to the following:

STIPULATED FACTS

Respondent installed and/or serviced a heating and air conditioning system at 15 South Pine Street Mobile, AL 36604. A Board inspection of the site revealed the following violations:

1. The outdoor heat pump opposite to duct side does not have the minimum required 14-inch clearance to combustibles and does not have the minimum required 36-inch clearance for operation and service, in violation of the Manufacturer's Installation Instructions (Page 3 and Figure 2) and in violation of the 2018 International Residential Code M1401.1.
2. The outdoor heat pump flexible return and supply air ducts protective sheet metal cover flashing is incomplete, in violation of the Manufacturer's Installation Instructions (Page 8, Step 5 and Number 6) and in violation of the 2018 International Residential Code M1401.1.
3. The outdoor heat pump is not protected from rainwater or placed where roof rainwater run-off cannot flood the unit, in violation of the Manufacturer's Installation Instructions (Page 2 and Step 3) and in violation of the 2018 International Residential Code M1401.1.
4. The outdoor heat pump does not have the manufacturer required condensate drain trap installed, in violation of the Manufacturer's Installation Instructions (Page 8 and Step 6) and in violation of the 2018 International Residential Code M1401.1.

STIPULATED CONCLUSIONS OF LAW

1. Respondent admits that the above listed findings by the Board are in violation of the Board's Minimum Standards, and thus grounds for discipline by the Board under *Code of Alabama* § 34-31-18 *et seq.* and the jurisdiction of the Board.
2. Respondent acknowledges he is subject to the provisions of the *Code of Alabama*, § 34-31-18, *et seq.* and the jurisdiction of the Board.

STIPULATED DISPOSITION

1. Respondent shall not in the future violate the provisions of the *Code of Alabama* § 34-31 (1975), or the Rules promulgated thereunder.
2. Respondent has completed a mandatory class provided by the Board pertaining to the 2018 International Fuel Gas Code and Mechanical Code, and 2018 International Residential Code.
3. Respondent agrees to remit a maximum administrative fine of \$550.00 within thirty (30) days of completion of the class for the above-described conduct.
4. In consideration of Respondent's full and complete compliance with this Settlement Agreement and the terms hereof, the Board agrees to forego the pursuit of its civil remedies available under Alabama Law against the Respondent.
5. Respondent understands that this Settlement Agreement may be presented to an attorney of Respondent's choice for review and counsel prior to signing the same.
6. Respondent acknowledges and understands that this Settlement Agreement, once final, is public information, and may be published in the Board's next newsletter or posted on the Board's website.
7. Respondent knowingly and voluntarily enters into this settlement agreement and expressly waives all further procedural steps, and expressly waives all rights to seek judicial review or to

otherwise challenge or contest the validity of the Settlement Agreement, the findings of fact, conclusions of law and imposition of discipline herein.

8. This Agreement must be approved by the Board. The Respondent agrees to waive any objections to the Board reviewing the Settlement Agreement and any information provided to the Board concerning the Settlement Agreement during the meeting the Settlement Agreement is discussed.

9. This Settlement Agreement shall become effective upon the execution by the parties previously mentioned and, upon ratification by the Board; it shall be made a part of the official minutes of the Board's next regularly scheduled meeting.

Randal B Fuller
509 Woodward Ave
Muscle Shoals, AL 35661

Certification Number: 16020

Complaint File Number CC-2024-063

SETTLEMENT AGREEMENT

Randal B Fuller (hereinafter referred to as "Respondent") hereby stipulates and agrees, subject to ratification by the State of Alabama Board of Heating, Air Conditioning and Refrigeration Contractors (hereinafter referred to as "the Board") hereby agrees to the following:

STIPULATED FACTS

Respondent installed and/or serviced a heating and air conditioning system at 1071 Maple Street Killen, AL 35645. A Board inspection of the site revealed the following violations:

1. The 80-amp breaker installed for the heater kit is oversized for the maximum of 70-amps, in violation of the manufacturer's installation instructions and the 2018 International Residential Code section M1401.1.
2. The 10-awg line voltage power wiring that serves the package unit is undersized for the minimum 43.3-amp, in violation of the manufacturer's installation instructions and the 2018 International Residential Code section M1401.1.
3. The package unit is not leveled with-in the manufacturer's required specifications, in violation of the 2018 International Residential Code section M1401.1.

4. The 14x25 and the 20x25 filter back return grilles are undersized for a 5-ton system, in violation of the 2018 International Residential Code section M1601.1.
5. The package unit does not have the required clearance from the earth, in violation of the manufacturer's installation instructions and the 2018 International Residential Code section M1401.1 and M1305.1.3.1.
6. The return ducts appear to be undersized for a 5-ton system, in violation of the 2018 International Residential Code section M1601.1.

STIPULATED CONCLUSIONS OF LAW

1. Respondent admits that the above listed findings by the Board are in violation of the Board's Minimum Standards, and thus grounds for discipline by the Board under *Code of Alabama* § 34-31-18 *et seq.* and the jurisdiction of the Board.
2. Respondent acknowledges he is subject to the provisions of the *Code of Alabama*, § 34-31-18, *et seq.* and the jurisdiction of the Board.
